Telescope is a small company which is growing rapidly with huge growth potential for skills and projects.

### Skills & Requirements

#### Minimum Qualifications

- 5+ years of C or C++ coding experience

#### Preferred Qualifications

- QT framework experience
- ffmpeg or video processing experience
- RTMP protocol experience
- A plus to know: HTML Render engines such as chromium, blink, litehtml, etc.
- A plus to know: working knowledge of H264 codec
- Agile/Scrum development cycle understanding
- Knowledge working closely with git
- Excellent communication skills and being able to work independently or in a full team
- Experience with AWS/EC2, or other cloud services
- Hadoop, HBase, and/or MapReduce experience
- Experience with Play framework

#### Perks for Full-Time Employees

- 16 paid days off per year
- Many national holidays paid per year
- Comprehensive medical, dental, vision, life insurance, and 401k (up to 100% of 6%)
- Occasional catered lunch
- Free parking (or stipend depending on location)
- Partially paid cell phone coverage
- Fully stocked kitchen with snacks, drinks, and Starbucks coffee
- Two holiday parties per year for all employees and casual work attire

## About Telescope

The work environment at Telescope is exciting, engaging, and constantly dynamic. We have major media clients who depend on us year over year to deliver amazing products and support their live TV vote shows. We also have close partnerships with social networks such as: Facebook, Twitter and Instagram to which we deliver fan engagement products.

Telescope Inc. has been responsible for the most successful television and live media participation shows in the last decade: *American Idol*, *The Voice*, *Dancing with the Stars*, *So You Think You Can Dance*, *AMA*, *VMA*. We also work with Coca Cola, NASA, Project Greenlight, and others. We create the software that handles all parts of the voting, and now we are going after social as well. We work with massive scale, big data, and cutting edge technology. Our technical environment is full of passionate programmers who enjoy what they do every day.

**Telescope Inc. is an equal opportunity employer** which does **not** discriminate against: race, color, religion, national origin, age, sex, pregnancy, citizenship, familial status, disability, veterans, or any other protected class.
